Maxpjax@gmail.com

612-900-9176

EDUCATION

North Carolina Agriculture and Technical State University

Major: Computer Science B.S

Expected Graduation: 05/2026

INTERNSHIP EXPERIENCE

Tremont Engineering - Intern,

Greensboro NC May 2023 - August 2023

Ran laboratory tests and utilized software such as eField, and Excel to track data on moisture levels of soil and concrete. Results were used to ensure materials were up to OSHA standards for major construction projects. Some clients included Sterigenics, Aldi, and West Forsyth High School.

PROJECTS

Personal Website:

Personal Website using HTML, JavaScript, MediaQueries, and CSS showcasing my resume, about me, contacts, and other common website features.

Marvel Universe Search Book:

App collected list of every marvel character in the marvel universe, gave each character a list of connecting characters, and used BST to traverse said list and providing a direct pathway from one marvel character to another.
